

## Stream of Dreams Adopt a School program

### PREVENT WATER POLLUTION! PROTECT OUR STREAMS, RIVERS, AND OCEAN! MAKE A DIFFERENCE FOR THE FUTURE

Give the gift of water education for a child, a classroom or an entire school. Your donation to the Stream of Dreams Murals Society's Adopt-a-School fund helps children learn in a positive and fun way about water conservation, their local watershed, salmon, and simple behavioural changes we call all make to protect water resources and all life that depends on healthy streams, rivers, lakes and ocean.

#### Who needs your help?

Schools across British Columbia are asking for the award-winning Stream of Dreams watershed education and community art program. In these challenging economic times, they need your financial help to give their students the opportunity to participate.

#### What can you do?

Adopt a classroom or a whole school. At a program delivery cost of \$10 per participant, \$250 enables an average classroom to participate and \$3000 enables a whole school of 300 students to participate

#### What is the benefit to you?

- Tax receipt for your donation
- Recognition of your support on a school's mural sign.
- Acknowledgement on the Stream of Dreams website
- 100% of your donation will go to support environmental literacy and prevent waste and pollution of our water resources.

#### It's easy:

Fill out the form below and mail a cheque directly to the Stream of Dreams Murals Society or contribute by credit card through the Canada Helps portal on our website: [www.streamofdreams.org](http://www.streamofdreams.org). Choose the Adopt-a-School fund.

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_
